CUSTOM GRID GUIDE

GET INSPIRED & CREATE YOUR GRID at Hietakari Design Studio

We are offering our customers a unique opportunity to design and create bespoke grid solutions for glass room dividers, walls and doors at our Design Studio.

All products are manufactured at Hietakari factory by order and are made to measure.

Our products are produced of aluminium and glass. We offer a wide range of custom colours and glass options to respond to the most demanding taste and implement your one-of-a-kind solution.

Get inspired and create a unique design, made for your personalized interior, with us.
